Draw a sketch showing the location of the lot entrance and distance of entrance from nearest boundary and stake location.

A large, empty rectangular box with a black border, intended for a hand-drawn sketch. The sketch should show the location of a lot entrance and its distance from the nearest boundary and stake location.

**Notes:**

1. All entrances are required to be a minimum of 6 metres in (20 ft.) in width.
2. For temporary entrances, entrance to be returned to original condition after logging operation. Road foreman to inspect and give approval before deposit is returned.
3. It is the responsibility of the property owner to review By-law # 2018-007 before submitting an application to the Township of Joly.
