<b>FILE</b>	#B.	 	 	 

Note to Applicants: This application form is to be used if the *CENTRAL ALMAGUIN PLANNING BOARD* is the consent granting authority. In this form the term "subject" land means the land to be severed and the land to be

retained.

## **Completeness of the Application**

The information in this form that **must** be provided by the applicant is indicated by **black arrows** on the left side of the section numbers. This information is prescribed in the Schedule to Ontario Regulation 197/96 made under the **Planning Act**. The mandatory information must be provided with the appropriate fee. If the mandatory information and fee are not provided, the CAPB will return the application or refuse to further consider the application until the information and fee have been provided.

The application form also sets out other information that will assist the CAPB and others in their planning evaluation of the consent application. To ensure the quickest and most complete review, this information should be submitted at the time of application. In the absence of this information, it may not be possible to do a complete review within the legislated time frame for making a decision. As a result, the application may be refused.

#### **Submission of the Application**

- One application form is required for each parcel to be severed.
- A complete application form MUST include a council resolution from the organized municipality stating the pre-consult requirements have been met to its satisfaction and be accompanied by a list of conditions the municipality requires.

- The applicable fee is \$650 per lot created, per Lot Addition or per Right of Way – effective February 1, 2016
- 10 copies of the completed application form and 10 copies of the sketch are required by the CAPB. The copies may be used to consult with other ministries or agencies that may have an interest in the application.
- Please remember to include your property roll number

#### Measurements are to be in metric units.

1 ft = .3048 meters; 1 acre = 0.404686 hectare

## For Help

To help you understand the consent process and information needed to make a planning decision on the application, refer to the Guide.
